

REMARKS

This is a response to an Election of Species Requirement. The Examiner argued that applicant's FIGS. 1-4 are directed to species A-D, respectively, FIGS. 6-8 are directed to species E-G, respectively, FIGS. 10-11 are directed to species H-I, respectively, and FIGS. 12-13 are directed to species K-L, respectively. The Examiner further indicated that applicant is required to elect a single disclosed species for prosecution on the merits, and provide a listing of all claims readable thereon. As a result, applicant elects to prosecute the species disclosed in FIG. 1. It is believed that claims 1-2 and 32-33 read on the species disclosed in FIG. 1.

Respectfully submitted,
